1 YR
WARRANTY

Grease Canister
Holds 282 oz (8 kg) grease, so you spend your time greasing, not refilling

Comfortable Carry Handle
Folds away for easy refilling.

Foot Operated Treadle
No more exhausted hands and arms when greasing lots of joints.

Canister Lid
Keeps contaminants out of your grease.

The Patented Pressure Return Valve
Simply lift the foot treadle to return residual pressure back to the canister.

- Saves Grease.
- Eliminates Dribble and Mess.
- Extends Grease Coupler and Zerk Nipple Life

Rubber Foot Mounts
Ensures the G.Gun remains firm while pumping grease.

The Patented Lock-on Grease Coupler

- Ensures grease is delivered into the joint and the bearings, not around the Zerk.
 - Easy lock-on mechanism allows for hands-free operation.
 - Easy clip-off, regardless of pressure build up in the line.
- Combined with the Pressure Return Valve, you enjoy a near waste free greasing system.
